I wish to participate in the 2010 Teaching American History Teacher Institutes at McNeese State University. I certify that I teach American or Louisiana history in the Calcasieu Parish public school system (Other public school system or private school _____). If I am accepted into the program, I agree to be punctual and attend all institute sessions, whether in class or fieldtrips (some of which may be held on Fridays or at times other than stated classroom hours as stated in the institute syllabus). I also agree to present myself in a professional manner, complete reading assignments prior to class, and perform all work required by institute syllabus. I will actively participate in and create thorough lesson plans to share with my fellow colleagues. I understand that failure to comply with the above conditions or to receive a passing grade from the university will result in the forfeiture of academic credit and stipend.
